

26th April, 2019

Dear Parent/ Guardian,

In Autumn we will be returning to the PCI Mad weekend at the University of Ulster, Coleraine, on 25th – 27th October, 2019. This will be a fun-filled weekend and the theme is 'NEWSFEED - God's Story In Headlines'.

This weekend will be a great opportunity for your child/children to have fun through various activities and worship sessions. This time away also gives us as a leadership team a great opportunity to build stronger relationships with your child/children.

I know that this is a long way off, but this is an extremely popular event with young people throughout Ireland, which was proved last year by the event selling out in less than 1 minute!!

The total cost for the trip will be £60. If your child/children would be interested in coming, please return the attached slip, along with payment by **Sunday 12th May**. Please make cheques payable to 'Hillsborough Presbyterian Church Youth'.

We realise in the current financial climate cost may be a difficulty; however we do not want anyone to miss out, so if this is the case please contact me directly as there may be funding available.

Further details regarding what to bring etc. will be given out nearer the time.

If you want any more information on the event; or if you have any other questions in the mean time please feel free to contact me, or visit the 'Events' section of the PCI website.

In Christ,

Ashley Parks
Youth Development Worker
